PROFESSIONAL ETHICS

Introduction

Professional ethics are personal and corporate rules that govern behavior with the context of a particular profession. As prescribed by UGC the professional ethics for teaching profession is as follows:

TEACHERS AND THEIR RESPONSIBILITIES

A teacher is constantly under the scrutiny of his students and society at large. Therefore every teacher should see that there is no incompatibility between his precepts and practice. The national ideals of education which have already been set forth and which he/she should seek to inculcate among the students must be his/ her own ideals. The profession further requires that the teachers should be calm, patient and communicative by temperament amiable in disposition.

Teachers should:

- Adhere to responsible pattern of conduct and demeanor expected of them by community.
- Manage their private affairs in a manner consistent with dignity of profession.
- Seek to make professional growth continuous through study and research.
- Express free and frank opinion by participation in professional meetings, seminars, conferences towards contribution of knowledge.
- Maintain active membership of professional organizations and strive to improve education and profession through them.
- Perform their duties in form of teaching, tutorial, practical, seminar and research work conscientiously and with dedication.
- Cooperate and assist in carrying out functions relating to educational responsibilities of the college and the university such as assisting in appraising applications for admission, advising and counseling students as well as assisting the conduct of university and college examination including supervision, invigilation and evaluation.
- Participate in extension, co circular and extra circular activities including community service.

TEACHERS AND STUDENTS

Teachers should:

- Respect the right and dignity of the student in expressing his/ her opinion.
- Deal justly and impartially, with students regardless of their religion, caste, political, economic, social and physical characteristics.
- Recognize the difference in aptitude and capabilities among students and strive to meet their individual needs.
- Encourage the students to improve their attainments, develop their personalities and at same time contribute to community welfare.
- Inculcate among students scientific outlook and respect for physical labor and ideals of democracy, patriotism and peace.
- Be affectionate to students and not behave in a vindictive manner towards any of them for any reason.
- Pay attention to only the attainment of the student in the assessment of merit.
- Make themselves available to the students even beyond their class hours and help and guide the students without any remuneration or reward.
- Aid students to develop an understanding of our national heritage and national goals.
- Refrain from inciting students against other students, colleagues or administration.

TEACHERS AND COLLEAGUES

- Treat other members of the profession in the same manner as they themselves wish to be treated.
- Speak respectfully to other teachers.
- Refrain from lodging unsubstantiated allegations against colleagues to higher authorities.
- Refrain from allowing considerations of caste, creed, religion, race or sex in their professional endeavor.

TEACHERS AND AUTHORITIES

- Discharge their professional responsibilities according to existing rules and adhere to procedures and methods consistent with their profession in initiating steps through their own institutional bodies and professional organizations for change of any such rule detrimental to the professional interest.
- Refrain from taking any other employment and commitment including private tuitions and coaching classes which are likely to interfere with their professional responsibilities.
- Cooperate in formation of policies of the institution by accepting various offices and discharge responsibilities which offices may demand.
- Cooperate through their organization in the formulation of policies of other institutions and accept offices.
- Cooperate with authorities in betterment of the institution keeping in view the interest and in conformity with dignity of profession.
- Should adhere to conditions of contract.
- Give and expect due notice before change of position is made.
- Refrain from availing themselves of leave except on unavoidable grounds and as far as practicable with prior intimation keeping in view their particular responsibility for completion of academic schedule.

TEACHERS AND NON TEACHING STAFF

- Teachers should treat non teaching staff as colleagues and equal partners in a cooperative undertaking within every educational institution.
- Teachers should help in the function of joint staff councils covering both teachers and non teaching staff.

TEACHERS AND GUARDIAN

- Try to see through teachers bodies and organizations that institutions maintain contact with guardians, their students, send reports of their performances to the guardians whenever necessary and meet the guardians in meeting convened for the purpose of mutual exchange of ideas and for the benefit of institution.

TEACHERS AND SOCIETY

- Recognize that education is a public service and strive to keep the public informed of the educational programmes which are being provided.
- Work to improve education in the community and strengthen the community moral and intellectual life.
- Be aware of social problem and take part in such activities as would be conducive to progress of society and country as a whole.
- Perform duties of citizenship, participate in community activities and shoulder responsibility of public offices.
- Refrain from taking part in or subscribing to or assisting in any way activities which tend to promote feeling of hatred or enmity among different communities, religions or linguistic groups but actively work for national integration.

POLICY ON CODE OF CONDUCT

Introduction:

Since its inception in 1987, Melamora College has been sincerely invested in pursuing excellence and integrity in all its endeavors. The administrators, employees and students of Melamora College are expected to act in accordance with the highest standards of personal and professional integrity, honesty and ethical conduct. The Policy on Code of Conduct has been formulated to lay down guidelines and norms to be followed by all stakeholders to ensure good conduct and ethical practices in the College. All the staff and students enrolled in the college shall positively engage in the college activities within this Code of Conduct framework along with the general code of conduct prescribed by the Statutory Regulatory Authorities. This Code may be amended or supplemented from time to time by the administrative body of the College. The Code of Conduct shall be incorporated for the various stakeholders on campus in the form of dedicated Handbooks. The document shall also be available for access on the official website of the college.

Scope:

The College code of conduct will be incumbent upon all students, teachers and non-teaching staff of Melamora College. They shall follow and abide by the policies and regulations of Melamora College and act according to the vision and mission of the college.

Purpose:

The college code of conduct serves to:

- Clarify the mission, values and principles of Melamora College and link them with standards of professional conduct.
- Create a safe and structured learning environment that will promote the college's goals for learning.
- Serve as a guiding principle about ethical and professional conduct for students, teachers and non-teaching staff affiliated within the institute.

Report of minority cell last five years

ACTION TAKEN REPORT

MINORITY CELL

For the session- 2017/18 to -2021/22

In the last 5 years total No of students enrolled in minority category. These minority students have been guided to enhance their academic excellence. As the college belongs to rural background, it is desperate to strengthen knowledge, skills and attitude. For this the college organises coaching programs for the students belonging to minority too. By considering the need of English communication in the world, the orientation programs in soft skill has been arranged with a view to improve academic skill in English language. Financial support has been extended to some minority students for academic as well as sports purposes.

Report of OBC Cell last five years

ACTION TAKEN REPORT

OBC CELL, MELAMORA COLLEGE

SESSION- 2017/18 TO 2022/23

In last five years' total No. 728 of students belonging to OBC admitted into the college. The OBC cell has been taking initiatives for the academic betterment of them. Specifically, Personal guidance has been extended to avail the scholarships opportunities under the various scholarships schemes provided by the central and state Governments. National scholarship portal link uploaded in college website. The students whose scholarships forms were rejected, the OBC cell verified those forms and helped to fill up properly. Moreover, reservation policy has been strictly followed in every admission procedure as per rules set by the state and central government. The reservation policy has been displayed in college website.
